

## M.C. United Tournament Refund Policy

In the event that an M.C. United soccer club tournament is cancelled, the refund policy is as follows.

- 1) Any team that does not play any matches will receive a **cash** refund minus all tournament expenses.
- 2) Any team that plays one or more games but less than the guaranteed number of games will receive a credit for an upcoming M.C. United tournament minus tournament expenses. The credit will be prorated based on the number of games played and the amount of the entry fee.
- 3) Tournament expenses include all of the following but are not limited to the following: referee, field, awards, and medical trainer's fees and any miscellaneous fees such as tent and cart rentals. These expenses are divided by the total number of teams to determine the amount to deduct from any cash refund or credit.
- 4) Any team entering a tournament assumes some financial risk for loss based on weather and any unforeseen issues that cause tournaments to be shortened or cancelled altogether.
