

WORLD FUTSAL CHAMPIONS CUP

All,

We regret to inform you that, due to circumstances beyond our control, the 2008 World Futsal Champions Cup in St. Louis has been postponed. We will be sending a follow up letter with more information and the new date of the event as soon as it comes available to us.

Please accept our apology for this somewhat late notice as we have contacted every resource possible to try to bring you the event this year. We believe very strongly in this event and hope that when the new dates have been granted to us by the America's Center we will see all of you there.

We look forward to hosting the inaugural event of this exciting, emerging sport next year and have sponsorship opportunities available for interested parties. Details of the 2009 World Futsal Champions Cup will be sent as they become available.

We apologize for any inconvenience this has caused and all paid registration fees will be returned immediately. If you have any questions concerning this event, please email mcunitedsoccer@gmail.com.

Sincerely,

Mark Chartrand, M.C. United Soccer Club Director
